CUT CHRISTMAS TREES

We also have table trees available in all varieties for \$8 to \$12 for 3'-5'. Call for quantity available and prices. Additional discounts may be available on large quantities.

All our trees have been carefully grown and selected. They are state inspected for shipment anywhere in the United States, except where local quarantines apply. We invite you to come to the farm and inspect our trees before ordering. Please call ahead.

Our Douglas fir are from Rocky Mountain seed sources and have been grown here on our farm in central Pennsylvania, to produce fine quality trees. Our trees are carefully selected for color and shape.
